

Job Description: Teacher Apprentice/Assistant Cheer Coach

Location: Pathway Academy, Big Spring, TX

Reports To: Principal/Head of School

Employment Type: Full-time, 12-month position

Start Date: Immediately

Overview

Pathway Academy is seeking a motivated and enthusiastic Teacher Apprentice / Assistant Cheer Coach to join our growing educational team. This dual-role position offers aspiring educators the opportunity to gain hands-on classroom experience while also supporting our cheerleading program. The ideal candidate is passionate about student success, school spirit, and personal growth in the education profession.

Key Responsibilities

As Teacher Apprentice:

- Support lead teachers with classroom management, instruction, and student supervision.
- Assist in lesson preparation and delivery under the guidance of certified teachers.
- Provide academic support to students in small group or one-on-one settings.

- Participate in professional development sessions and school-wide training.
- Collaborate with faculty and staff to promote a positive school culture.
- Demonstrate professionalism, punctuality, and a willingness to learn.

As an Assistant Cheer Coach:

- Support the Head Cheer Coach in leading practices, games, and school events.
- Encourage and mentor student-athletes to promote teamwork, discipline, and school pride.
- Help coordinate cheer routines, chants, and game-day logistics.
- Ensure the safety and well-being of all cheer team members.
- Attend required practices, performances, competitions, and coach meetings.

Qualifications

- High school diploma or GED required; some college coursework in education or related field preferred.

- Experience working with youth or in a school setting is a plus.
- Previous cheerleading experience (as a participant or coach) preferred.
- Strong communication, organizational, and leadership skills.
- Commitment to the mission and values of Pathway Academy.
- Must pass a background check and meet all state education requirements.

Compensation & Benefits

- Competitive salary based on experience and qualifications
- TRS (Teacher Retirement System) eligible
- Health, dental, vision, and other benefits
- Professional growth and leadership development opportunities
